DROPPING A CLASS – Refer to the Enrollment Dates and Deadlines on page 1. Students may drop a class using WebAdvisor or in person. Students not in GOOD standing, or with a monetary hold, must drop a class in person at the campus Admissions and Records office.

It is the student's responsibility to officially drop a class in which he/she no longer wishes to be enrolled.

- Withdrawal from a full-term 18-week class through the end of the third week (prior to the 20 percent point) will result in no entry on the student's permanent record.
- Withdrawal from a full-term 18-week class beginning the fourth week through the ninth week (50 percent point) of instruction will result in an entry of "W" recorded on the student's permanent record.
- Withdrawal from a short-term class will vary based upon the meeting dates of a class. The student will need to obtain these dates from the Instructor An entry of "W" will be recorded on the student's permanent record beginning at the 20 percent point of a class through the 50 percent point of a class.

Mailing address and fax number available at www.fresnocitycollege.edu/admissions-aid/admissions-and-records-office/index.html. Excessive "W's" will be used as factors in progress probation and dismissal.

GENERAL REQUIREMENTS FOR REGISTRATION

DOUBLE-CHECK everything carefully. The college assumes no responsibility to adjust time conflicts which are the result of the student's own error. The online registration system will catch most time conflicts, but the final responsibility is yours.

Prerequisites/Corequisites/Advisories
Students are urged to study the description of courses in the college's catalog to ensure that prerequisites are satisfied before registering for a course. Correct registration at an early date is important. A prerequisite is defined to mean a condition of enrollment that a student must meet in order to register in a course or program. A student may challenge any prerequisite by completing the Prerequisite/Corequisite Challenge Petition available in the Counseling Center. It is the student's responsibility to be certain that he/she has met the necessary prerequisite(s) for any course he/she wishes to take. The student will be dropped from any class where it is verified that the necessary prerequisite has not been successfully passed. Prerequisites will be validated after final semester grades have been posted. It should be understood by the student that whether or not a prerequisite is specifically stated, the instructional staff of Fresno City College assumes that each student who enrolls in a transfer-level course possesses sufficient competencies in the areas of reading, writing and mathematics to be able to profit from instruction. A corequisite indicates that the course must be taken simultaneously with another course if not already completed. Advisory indicates that the institution recommends, but does not require certain course work be taken prior to enrolling in the described course.

Other Limitations on Enrollment
Enrollment in certain courses or educational programs of study may require tryouts, auditions or may be limited by health and safety considerations, facility limitations, faculty workload, the availability of qualified instructors, funding limitations or legal requirements imposed by statutes, regulations or contracts. All such limitations are in conformity with the provisions of Title 5, Section 58106, California Community College Board of Governors.

2018-2019 California College Promise Grant (formerly known as the Board of Governors Fee Waiver)

The California Community Colleges offer the California College Promise Grant (formerly known as the Board of Governors Fee Waiver) for students who are California residents and who meet any one of the following three criteria.

1. You or your family are receiving public assistance from the Temporary Assistance to Needy Families (TANF, formerly AFDC) or supplemental Security Income (SSI) or General certification from the California Department of Veterans Affairs.
2. You meet the following income standards:

Number in Household (including yourself)	Your Family Income Last Year (adjusted gross income and/or untaxed income)

3	$31,170 or less
4	$37,650 or less
	Add $6,480 for each additional dependent beyond four.

3. You have completed the 2019-2020 Free Application for Federal Student Aid (FAFSA) and have demonstrated at least $1,104 of "financial need."

Students can apply for a California College Promise Grant (formerly known as the Board of Governors Fee Waiver) at the Financial Aid Computer Lab in Ll-123

> **Students applying for a summer 2019 California College Promise Grant must complete the 2019-2020 FAFSA application. All students will be charged the health fee of $16 for summer 2019. The California College Promise Grant (formerly known as the Board of Governors Fee Waiver) does not waive this fee.**

Course Repeatability for Financial Aid

- If a student takes a course and does not successfully complete it, units for the same course can be included in the calculation of his attendance for any subsequent semesters as long as the student continues to meet Satisfactory Academic Progress standards.
- If a student has passed a course two times and enrolls in the course a third time the units will not be fundable for financial aid. All "D" grades are considered passing for financial aid regardless of institutional policy.
- If a student has passed a course and repeats the course, but receives a failing grade the second time then the student will be ineligible for future funding for that particular course.

The regulations do not allow accommodation for "special courses" or for certain groups of students, such as those with disabilities. All students are treated the same for calculation of attendance status for the federal programs.

Police

The State Center Community College District maintains a college police department for the protection and safety of all people and property of the college district. All campus officers are certified by the California Peace Officer Standards and Training Commission and have the same powers and restrictions as any other law enforcement officer. Furthermore, the SCCCD Police Department will investigate any incidents that may hinder or obstruct the educational and administrative process of the college.

The District Police Department is available to assist with a wide range of situations. In addition to law enforcement activities, the Police Department can help parking permit holders experiencing dead car batteries or "lock-out" incidences on a limited basis, when parked in a campus parking lot. Any questions about safety or crime issues can be answered by calling or visiting the District Police Department at 1940 N. Calaveras, directly east of the FCC campus. Informational brochures containing public safety information and statistics are available at the District Police Department. Call 559-442-8201 for more information. Individuals requiring emergency police assistance should use the emergency telephones in yellow boxes with blue lights located throughout the campuses.

MISCELLANEOUS INFORMATION

Address Change

It is the responsibility of the student to keep their college or center informed of his/her current address. Students can make address changes online at www.webadvisor.scccd.edu.

Class Attendance

A student who does not attend the first meeting of any class for which he/she has registered may be dropped from the class. It is the student's responsibility to make arrangements with his/her instructor if the first class meeting is missed. Absences from class due to transportation delays, personal and business engagements, or to complete registration or program changes are considered unexcused absences. A student who is continuously absent for two weeks may be dropped by the instructor provided the absences occur prior to the final drop deadline. Students who show a pattern of absences which the instructor considers excessive may also be dropped prior to the final drop deadline provided the instructor has given students notice of this policy in the course syllabus. In accordance with the State Education Code and college policy, no student may be dropped after 50 percent of the class but must receive a letter grade other than a "W." Students who intend to drop a class should do so themselves and not depend on the instructor to drop them for nonattendance. The college and its individual instructors assume no responsibility to change grades assigned to a student as a result of the student's failure to drop a class properly.

Computer/Network Equipment Use Policy

Every State Center Community College District student is permitted to use a District owned computer/network. As a condition of this use, each student agrees to:

- use the computer/network for educational purposes only and not for any commercial purpose or financial gain;
- use the computer and software in an ethical manner; this means he/she will respect the security of the District's computer system and will not illegally gain access to any network, hardware or software;
- not take or copy any copyrighted or patented software or any part of such software; further, he/she agrees not to install/ uninstall any program or software, including shareware programs, on the computer;
- not use the electronic mail system for an illegal or illicit purpose, including solicitation; the District reserves the right to monitor all computer activities on its computers; the student agrees to abide by the rules of any other computer system that he/she may contact through the Internet;
- not transmit any communication in which the meaning of the message or its transmission or distribution would violate any applicable law or regulation or be offensive to the recipient or recipients; and
- not search, view or download pornographic material through any means.

It is understood that information, programs or data a student obtains from the Internet are used at his/her own risk. He/she is responsible for any damage caused by malicious programs, commonly known as viruses, received from the Internet.

Each student is expected to abide by the District's Acceptable Use Policy. The District is the sole determiner of the interpretation and application of the Acceptable Use Policy. It is understood that if a student violates any of the above rules, he/she is subject to removal from the computer facility as well as discipline as a student.

Elevator Usage

Elevators are located in many areas throughout the campuses. They are intended primarily for use by students with physical disabilities and authorized staff. Each time others use the elevators, students with physical disabilities may be prevented from arriving to class in a timely manner. Please be courteous of persons with special needs and use the stairs whenever possible. On the occasions when you must use the elevator, please allow students with disabilities and authorized staff to enter first. Do not crowd or push if the elevator is full; wait for the next available elevator.

Enrollment Certification

The following definitions are used by SCCCD campuses and centers when certifying the enrollment of students to outside agencies.

- Full-time: 12 units or more
- Half-time: 6-11.9 units
- Less than Half-time: fewer than 6 units

To acquire an enrollment certification, log on to the Fresno City College website and click on "Forms Online."

Family Educational Rights and Privacy Act

The Family Educational Rights and Privacy Act outlines certain rights students have concerning access to and release of their educational records. The district regulation implementing this act can be obtained from the Admissions and Records Office, and all students are urged to obtain a copy. The act ensures that the college will not release student records to anyone who is not designated by the student to receive them except as provided by the law itself. The law authorizes the release of directory information which includes name, address, telephone, date and place of birth, major field of study, participation in activities, dates of attendance, degrees and awards, and the last institution attended. Objection to the release of this information may be made in writing at your Admissions and Records Office.

Grading

Consult your college catalog (available for sale in the college Bookstore) for information on the current grading system. Most courses can also be taken Pass/No Pass (P/NP) grade option. Students electing the P/NP option must fully participate in class activities and fulfill all other class requirements. Units earned on a P/NP basis will be disregarded in determining the student's grade point average. See your college catalog for further details and deadlines. Students planning to transfer to a four-year university should be aware of that institution's policy toward P/NP grades before exercising this option.

Checking Grades Online

Students may review grades or unofficial transcripts on WebAdvisor at any time.

- **STEP 1** — Login to WebAdvisor through the "My Portal" site at www.fresnocitycollege.edu.
- **STEP 2** — Click on Students
- **STEP 3** — Click on Grades-under the Academic Profile heading

Probation

Students should be aware of a provision of the state education code which requires that all students maintain satisfactory progress and a 2.0 cumulative grade point average while enrolled at a community college. Excessive "W" marks and "NP" grades, whether initiated by the student or by the instructor, will result in a student being placed on Progress Probation. A cumulative grade point average below 2.0 will result in a student being placed on Academic Probation. If the progress or academic problems continue, the student may face Dismissal. See your college catalog for details.

Study Abroad

Students at Fresno City College, Reedley College, Madera Community College Center, Oakhurst Community College Center, and Clovis Community College may take advantage of international study programs offered by the college district. The international programs allow students an opportunity to study in another country while earning transferable college credit, as well as enable them to gain a first-hand understanding of other regions and cultures of the world.

Costa Rica

While exploring a medicinal plant garden in the Costa Rican rain forest and spotting wildlife in the unique Caribbean canals of Tortuguero, students will discuss and experience first-hand cultural differences and identify ways culture impacts application, acceptance, and availability of healthcare practices. Students will visit local healthcare centers and have the opportunity to develop and implement health promotion activities appropriate for the local community. This study abroad program will begin and end in the busy, urban city of San Jose, Costa Rica and include time in damp tropical forests and a coastal turtle sanctuary. The program will be led by Gretchen Ezaki and Gretchen Nelson, nursing instructors at Fresno City College.

For more information, please contact gretchen.ezaki@fresnocitycollege.edu or gretchen.nelson@f resnocitycollege.edu.

Denmark

The district is hosting the 10th annual Denmark Exchange Program with Mercantec Institute in Viborg, Denmark. SCCCD hosts Danish students in the spring and will send a summer study abroad program to Viborg, Denmark. Participants in this two week program will have the opportunity to study in applied Technology and Culinary Arts at the Mercantec Institute in Viborg, Denmark. During their stay, students will study within their discipline and learn more about Danish culture. Activities include a weekend in Copenhagen.

For more information, please contact Margaret Hiebert at margaret.hiebert@scccd.edu.

Italy

The Florence Program offered through the FCC Art Department offers students of all majors a unique opportunity to explore art in one of the historic art capitals of Europe. Students will learn to discuss and analyze art and to develop their individual creativity in relation to course content. With Florence as the larger classroom, students will learn historical context, with a particular focus on the Renaissance era, which had its birth in the city. General topics in courses will include learning about the media of art, the visual elements of design, and art terminology. The roles of the artist, the patron, the museum, and the audience in relation to works of art will be another important topic.

Please contact Susana Sosa at susana.sosa@fresnocitycollege.edu for more information.

London

This program offers students the opportunity to study criminology, political science, and English in London. Students may take one or all three courses, and will visit cultural sites and participate in activities relevant to all three courses. These include the Tower of London prison, Parliament, a play at the Globe Theater, Westminster Abbey, a night tour of Jack the Ripper's crime scenes, and many more!

Student Right-to-Know Campus Security Act

In compliance with the Student-Right-to-Know and Campus Security Act of 1991 (Public Law 101-542), it is the policy of the State Center Community College District to make available its completion and transfer rates to all current and prospective students. Beginning in Fall 1996, a cohort of all certificate-, degree- and transfer-seeking, first-time, full-time students were tracked over a three-year period. Their completion and transfer rates are listed below. These rates do not represent the success rates of the entire student population at the State Center Community College District, nor do they account for student outcomes after this three-year tracking period.

Based upon the cohort defined above, 27.5 percent attained a certificate or degree or became 'transfer prepared' during a three-year period from Spring 1996 to Spring 1999. Students who are 'transfer-prepared' have completed 56 transferable units with a GPA of 2.0 or better.

Based on the cohort defined above, 20.9 percent transferred to another postsecondary institution, (UC, CSU, or another California community college) prior to attaining a degree certificate or becoming 'transfer-prepared' during a five-semester period from Spring 1997 to Spring 1999.

Annual reports of criminal activity and procedures for prevention of campus crime as required by the Crime Awareness and Campus Security Act of 1991 are available at the District Police Department.

Students that do not have a CCCID will be forced to create one before being allowed access to Canvas after May 27. We strongly encourage students to take steps now to ensure they have a CCCID. Without a CCCID, students will be delayed access to Summer and Fall 2019 courses.
