Notes:

1. Upon successful completion of the program, the student is eligible to take the National Registered Emergency Medical Technician (NREMT) and California State licensure examination necessary to become a licensed paramedic. This program will allow students to continue and obtain an Associate of Science Degree in the prehospital medical field. The degree may help them prepare for higher-level positions in fields related to graduating. Licensed paramedics in the profession have an opportunity to advance their careers.
2. The *Associate Degree* requires completion of the major (34.5 units) with a "C" or better grade in each course. Students must complete one of the three different general education patterns: option 1 – Fresno City College General Education, option 2 – CSU GE Breadth– California State University General Education, OR option 3 – IGETC – Intersegmental General Education Transfer Curriculum for a total of **60 semester units minimum** with a 2.0 or better GPA.
