**Notes:**

1. History is our changing perspective on the past. Historians attempt not only to understand the causes and significances of human actions in the past but also to interpret those past actions to others, through teaching, publications, lectures, exhibits, documentaries, and conversations. Knowledge of history provides insight into human nature, enhances our understanding of the present, and guides choices for the future.
2. Some of the above courses may have prerequisites. See the catalog or schedule of classes.
3. The *Associate Degree for Transfer* requires completion of the major (18 units) with a “C” or better grade in each course plus the completion of the General Education requirements (either CSU GE Breadth or IGETC CSU) for a total of **60 CSU-transferable semester units minimum** with a 2.0 or better GPA.
4. Some courses may not have an associated C-ID, please see catalog or counselor for more information.
