Notes:

1. The Associate Degree in Human Biology provides a foundation for students exploring or pursuing a range of opportunities in Human Biology or Allied Health fields. The course pathway for this degree includes the foundational courses typically required for entry into Allied Health programs. Please speak with a specialist counselor for more information specific to the individual Allied Health programs.
2. Some of the above courses may have prerequisites. See the catalog or schedule of classes.
3. The Associate Degree requires completion of the major (18 units) with a "C" or better in each course. Students must complete one of the three different general education patterns: option 1 – Fresno City College General Education, option 2 – CSU GE Breadth– California State University General Education, OR option 3 – IGETC – Intersegmental General Education Transfer Curriculum for a total of 60 semester units minimum with a 2.0 or better GPA.
